

GOVERNMENT OF ANDHRA PRADESH

ABSTRACT

Information Technology – “Facilitating Services through Common Service Centres (CSC) by enabling implementation of State Portal, State Service Delivery Gateway (SSDG) and Electronic Forms across the country

INFORMATION TECHNOLOGY & COMMUNICATIONS (e-GOV) DEPARTMENT

G.O.Ms.No. 15

Dated : 02- 09-2010

1. G.O.Ms.No.17, Dt.26-07-2008 of IT & C Department
2. G.O.Ms.No.9, Dt. 08-12-2009 IT & C Department

ORDER:

In the G.O. 1st read above, orders were issued creating an Institutional framework by constituting State e-Governance Mission Team for effective implementation of e-Governance projects under the National e-Governance Plan (NeGP). In the G.O. 2nd read above, Apex Committee and State Project Committee constituted to oversee the implementation of the e-Governance Projects.

Accordingly, the following notification will be published in an Extraordinary issue of the Andhra Pradesh Gazette.

NOTIFICATION

Whereas the State Government of Andhra Pradesh desires to create a mechanism to deliver public services by utilizing the network of the Common Service Centres.

Whereas the State Government is implementing State Portal (SP), State Service Delivery Gateway (SSDG) & Electronic Forms project.

Whereas SP/SSDG/Electronic form project entails delivery of the services through Common Service Centres (CSCs) by leveraging the common infrastructure (State Wide Area Network (SWAN), State Data Centre (SDC) etc.) and develop the applications and infrastructure required for deployment of State Portal and State Service Delivery Gateway (SSDG) for the State which will enable citizens to download forms and submit their applications electronically through a common gateway.

Whereas this initiative facilitating Electronic Service Delivery will provide significant benefits to the citizens especially in the form of a single gateway to citizen for service delivery.

Whereas SP/SSDG/Electronic form project will enable citizen to fill the form either online or offline at CSC and submit it electronically to the concerned office of the concerned department. While the submitted e-form will be routed through State Service Delivery Gateway (SSDG) to the respective field office of the concerned department responsible for providing that particular service, State Portal (SP) will give information about the services and would host all the e-forms.

And therefore the State Government of Andhra Pradesh intends to inform the general public that it is intended to deliver services to the citizens through Common Service Centres (CSCs), State Portal (SP) along with State Service Delivery Gateway (SSDG) electronically.
